GLASS RECYCLING

RECICLAJE DE VIDRIO

Glass bottles and jars placed in the curbside bin currently pass through the sorting process as waste. That is anticipated to change as recycling companies upgrade their sorting equipment. For now the best option for recycling glass bottles and jars is to bring them to purple, glass-only containers located in Fairfax County, Alexandria, Arlington, and Prince William County. Please visit *www.fairfaxcounty.gov/publicworks/recycling-trash/glass*.
